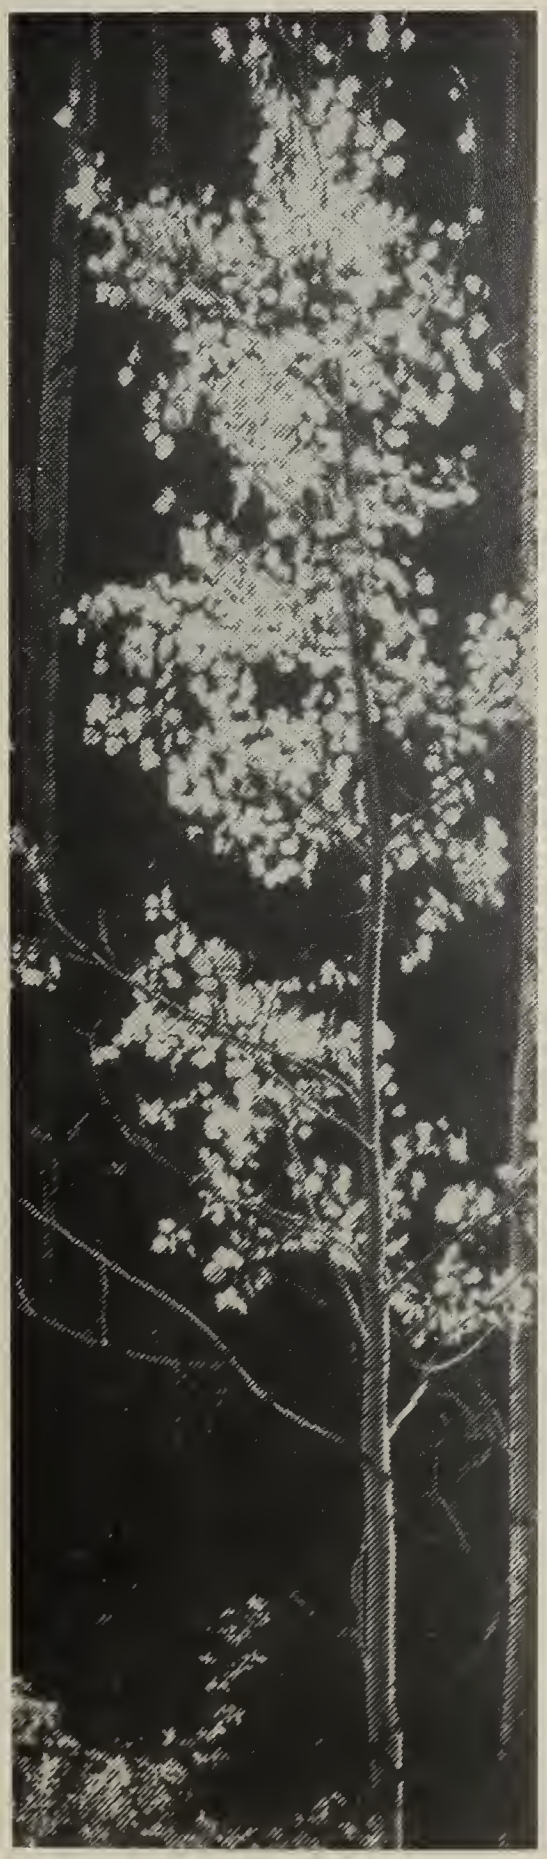
The President's Message

Since first visiting our Campus in November 1978, I have been privileged to experience your spirit of true mutual concern and respect that I believe represents the essence of Massasoit Community College. It has also been my genuine pleasure to witness the verve and the desire that you have displayed in pursuing your educational and personal goals. May I express my confidence that these same qualities will mark your future endeavors.

On behalf of the entire Massasoit community, I extend to you our most sincere congratulations and best wishes with the hope that you will return to visit us often.

I join many others in wishing each member of the class of 1982 success, good health and happiness in the future. My life has been enriched by your presence at Massasoit!



"I shall be telling this with a sigh
Somewhere ages and ages hence!
Two roads diverged in a wood, and I -
I took the one less traveled by,
And that has made all the difference."

Robert Frost
